

The first thing I did was to  
 go to the bank and see  
 what was going on. I found  
 the money was all gone.  
 I was very angry and  
 I went to the police.  
 They said they would  
 look for it. I was  
 very sad and I  
 went to bed.

I was very sad and I  
 went to bed. I was

 went to the police.

 look for it. I was  
 very sad and I  
 went to bed.
