

1600-1601. *Prophetic book of Daniel* (written in Hebrew, Aramaic, and Greek). The book consists of two parts: the first part contains the vision of the four beasts and the second part contains the vision of the 70 weeks. The handwriting is in a cursive script, with some headings in a larger, more formal script.

you get the word around  
so as to bring all you can  
and don't let me be blamed  
if you don't come.
