

The first thing I did was to  
 go to the office and see  
 what was going on. I found  
 everything in a state of  
 confusion. The papers were  
 all over the place and  
 I had to spend some time  
 before I could get any  
 work done. I was very  
 busy and had to stay  
 late in the evening.  
 I was very tired when  
 I went to bed. I had  
 a very bad night's  
 sleep. I was very  
 nervous and  
 I was very  
 tired. I was  
 very  
 tired.
