→ See it well. I think it
will be a good idea to
visit the woods here and
see if the woods don't contain
any more like the one we found
at the first place. The
woods are very thick and
it will be difficult to get through
them. But I think it would be
worth the effort. I will go there
tomorrow morning and see what
I can find. I will let you know
as soon as I have some information.
