

*Enlighten the minds of the people, and
 give them the true knowledge of their
 rights and duties, and of the
 laws of God and man, and of
 the nature of the human mind,
 and of the duties of a Christian,
 and of the rights of a subject,
 and of the duties of a citizen,
 and of the rights of a man,
 and of the duties of a son,
 and of the rights of a husband,
 and of the duties of a father,
 and of the rights of a neighbor,
 and of the duties of a friend,
 and of the rights of a countryman,
 and of the duties of a world citizen.*
