

Wharf all made of masonry and stone and a number
of houses built near the wharf. The town is
a collection of houses mostly built of wood,
and a few of stone. The houses are mostly
one or two stories high, and are built in a
rude, haphazard manner. The streets are narrow
and unpaved. The houses are mostly built of
wood, and are mostly one or two stories high.
The town is situated on a low, flat island, and
is surrounded by a dense forest of palm trees
and other tropical vegetation. The town is
