1. The first thing I noticed when I stepped
 out of the plane was the cold. It was a
 sharp contrast to the warm, humid air of
 the tropics. The wind was biting, and the
 snow was falling in soft, silent drifts.
 I had heard that the weather was bad, but
 I didn't realize how much it would affect
 my trip. The roads were icy, and the
 visibility was poor. I had to be careful
 every step of the way.
