MS SELLO QVARTO, DIEZ MARA
VEDIS, ANO DE MIL Y SEISCIENT
TOS Y SETENTA Y SIETE

[The main body of the document is written in a dense, highly decorative cursive script. The text is largely illegible due to the extreme flourishes and overlapping lines. It appears to be a formal legal or administrative document.]

[The left margin contains several vertical columns of text, also written in cursive. These appear to be marginal notes or a separate list of entries.]
