

SELLO QVARTO, DIEZ MARAVE
DIS, AÑO DE MIL SEISCIENTOS Y
OCHENTA.

Contra
la sendina
leuada

leuada

[The main body of the document is written in highly decorative cursive script, which is extremely difficult to decipher due to its flow and interlocking letters. It appears to be a formal legal or administrative document, possibly a contract or a set of regulations, given the context of the header and the presence of a seal. The text flows across the page from top to bottom.]
