REPARTICION DE LOS TERRENIOS MARAVES  
DE LOS INDIOS

*[The main body of the document is filled with dense, highly decorative cursive handwriting in Spanish. The text is written in dark ink on aged, slightly stained paper. The script is very fluid and ornate, with many loops and flourishes. It appears to be a legal or administrative document, likely a land distribution record for indigenous people in the Maravés region. The text is arranged in several columns, with some lines crossing between columns. The overall appearance is that of a historical manuscript or official record.]*
