The block contains several handwritten signatures and seals. On the left, there is a large, stylized signature that appears to be 'M. J. P. S.' followed by a circular seal. To the right of this, there is another signature, 'Antonio de Vives', which is also enclosed in a circular seal. Below these, there are more signatures and seals, including one that looks like 'Antonio de Vives' again. The handwriting is in a cursive style typical of the 18th century.
