

and that the proposed legislation will come
and will do such valuable service to our
country. I am perfectly satisfied with it and
will support it. I am told that it is difficult
to get a bill through the Senate, but I hope
you will be able to get it through. The proposed
bill does the minimum required and I hope you will take
it up at once. I hope in this case there will be no objection to
the bill as it stands. I hope you will take it up at once. I hope you will take
