

The first part of the paper is devoted to a general
 consideration of the subject, and to a statement of the
 objects to be attained. It is then divided into three
 parts, the first of which is devoted to a description
 of the nature and extent of the disease, and to a
 statement of the symptoms which attend it. The second
 part is devoted to a description of the nature and
 extent of the disease, and to a statement of the
 symptoms which attend it. The third part is devoted
 to a description of the nature and extent of the
 disease, and to a statement of the symptoms which
 attend it.

John Smith

The second part of the paper is devoted to a
 description of the nature and extent of the
 disease, and to a statement of the symptoms
 which attend it.
