

The first part of the book is a
 history of the city of London
 from the time of its first
 settlement to the present
 time. It is written in a
 plain and simple style
 and is very interesting
 and useful. It is
 written by a person who
 has lived in London for
 many years and who has
 seen all the changes
 which have taken place
 in the city. It is a
 very good book for
 every one who is
 interested in the
 history of London.
