

7

I have well of all things in this world
and will be content with what I have
and will not desire more.

I have well of all things in this world
and will be content with what I have
and will not desire more.

I have well of all things in this world
and will be content with what I have
and will not desire more.

Adieu
F. de la Roche

I have well of all things in this world
and will be content with what I have
and will not desire more.

I have well of all things in this world
and will be content with what I have
and will not desire more.

I have well of all things in this world
and will be content with what I have
and will not desire more.
