

and my selfe and success

In front

In the summer day of the first year  
of our reign in the month of June  
we have received from the  
Lords of the Council a letter  
of the first of the month of June  
of the first year of our reign  
concerning the same

In front  
of the first

In the first year of our reign  
we have received from the  
Lords of the Council a letter  
of the first of the month of June  
of the first year of our reign  
concerning the same

In
