

This is the first of the books of the
 Holy Scriptures which are written in
 the Hebrew language and are called
 the Law of Moses. They contain the
 commandments of God and the history
 of the people of Israel from the time
 of Moses to the time of the
 kings of Israel and Judah. These
 books are the foundation of the
 Jewish religion and are read every
 day in the synagogues. They are
 also the basis of the Christian
 faith and are the source of many
 of the teachings of the New
 Testament.
