

I have written and written very often my heart
 in your words of
 I pray and will be sure to be in the
 with you and for the sake of the
 love of my dear friends and the
 no more of my heart and for the
 and to me of the heart and for the
 of the heart and for the

[Handwritten Latin text, likely a liturgical or legal document, written in a cursive script.]

I have now given you my best and
 most true love for you and your
 dear children and I have no more
 to say to you but I am ever
 your affectionate father
 and your mother's
 dear friend
 I have now given you my best and
 most true love for you and your
 dear children and I have no more
 to say to you but I am ever
 your affectionate father
 and your mother's
 dear friend

[illegible]
