

~~A~~ records were as follows
Total sum from receipts of collection
~~and expenses of~~ during the period
from January until December last
more than £~~100~~ in the current year of £~~100~~
and less than £~~200~~ in the same year
£~~100~~ in the current year of £~~100~~

✓ monsoon period is characterized by strong winds
✓ in the monsoon period there is a sharp
and steep rise in the atmospheric pressure
✓ as the air is heated from below
it expands and ascends it is replaced by
cold air from above which is more dense
and heavier than the hot air
✓ Consequently the air is forced upward
and it continues to rise until it reaches
the upper layers of the atmosphere
