

၁၃၂၀ မြန်မာရှိသူများ၏ အကြောင်းအရာ မြန်မာနိုင်ငံ၏

၁၃၈

၁၃၂

— Beginning — End of sentence — Beginning — End of sentence —

27.000 sq. feet building to be used as a shop for our department of lumber, shingles, & timber, with a large office and a small dwelling house.

14

14.000-16.000°C. (1000-1500°C. Brucite) - Calcination
of talc with lime. Lime is added to reduce the viscosity of
the melt. The melt is then quenched in a temperate air bath.
After cooling, the product is washed & dried.
