provision

Don't forget to get your share of the
provision. It's a good idea to have
some extra food on hand in case
you need it. The weather is getting
colder and it's important to be
prepared. Make sure you have
enough food for everyone. It's
always better to have too much than
not enough. The store is out of
many things, so you'll need to
go soon. Don't forget to get the
oil. It's the best for cooking.
The meat is also good. Get some
of that too. And don't forget the
vegetables. They're important for
your health. Get everything you
need before it's too late. The
store is closing soon. Hurry!
Don't forget to get the bread.
It's the best from the bakery.
The cheese is also good. Get
some of that too. And don't forget
the fruit. It's fresh and delicious.
Get everything you need before
it's too late. The store is closing
soon. Hurry!
