planned to change by 1950. The plan was to have a new plan by 1950.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are written in a more formal, printed style. The list is organized into two columns, with names on the left and dates on the right.

My dear Mr. May, I have been thinking of you very much lately, and of the
many things that have happened since we last met. I hope you are well and happy.

1. The first is the *Journal* of the *Commissioners of the General Land Office*, which contains a full and complete record of all the land transactions of the Government, from the first sale of land to the present time. It is a most valuable work, and one which every student of the history of the country should possess.
