

The first part of the book is a history of the  
 city of London from its foundation to the  
 present time. It is written in a plain and  
 simple style, and contains many interesting  
 particulars of the city's growth and  
 improvement. The second part is a  
 description of the city's government and  
 laws, and the third part is a history of  
 the city's trade and commerce. The book  
 is a valuable work, and is highly  
 recommended to all who are interested  
 in the history and government of London.
