

~~good & in every case and now~~
~~bring out the best work.~~

- carrying out the execution

needs Pictures & Paintings
engraving & illustrations & also in the
rest is next to nothing & cannot be
done now & costs of labour about 10
pounds each & less will not do
now & we are at the bottom of the
word & have to do this & we can't
afford to pay for it. Please see to it
as I am told you have some
friends who are strong & will help
you and will get enough money
to do it & you will be able to do it
yourself & see what other ways you
can do it & bring out the best work
as good as any & better than any
you have done & this will help
you to do it & you will be able to
do it & see what other ways you

can do it
