

SELLO QUARTO. DIEZ MARAVILLAS ANO DE MIL SE.
S. C. I. T. O. S. S. E. I.

[Faint handwritten notes in the left margin, partially obscured by the seal and bleed-through from the reverse side.]

[The main body of the document contains several paragraphs of handwritten text in Spanish. The script is cursive and somewhat faded. The text appears to be a historical or legal document, possibly related to the 'Seven Wonders of the World' mentioned in the header. It includes phrases like 'M... de la... de...', '... de la...', and '... de la...'. The handwriting is dense and fills most of the page.]
