

Don't know what you mean...  
I am writing you this because I am in a case  
and need your help...  
I am writing you this because I am in a case  
and need your help...

And I am writing you this because I am in a case  
and need your help...  
I am writing you this because I am in a case  
and need your help...

I am writing you this because I am in a case  
and need your help...  
I am writing you this because I am in a case  
and need your help...

I am writing you this because I am in a case  
and need your help...  
I am writing you this because I am in a case  
and need your help...
