The first part of the  
 manuscript is written  
 in a very old hand  
 and is very difficult  
 to read. It appears  
 to be a list of names  
 or places, but the  
 characters are so  
 faded and the  
 ink is so light  
 that it is almost  
 impossible to  
 decipher.

The second part of the  
 manuscript is written  
 in a more modern  
 hand, but it is still  
 very difficult to read.  
 It appears to be a  
 list of names or places,  
 but the characters are  
 so faded and the ink  
 is so light that it is  
 almost impossible to  
 decipher.
