ЗПІДСОЇА СТЯМУЮТЬ

in such cases as these, it is necessary to  
have a knowledge of the disease and  
the character of the patient, and also of the  
method of treatment adopted, in order to  
know whether the disease is progressing or  
not. In some cases, however, it is necessary  
to have a knowledge of the disease and  
the character of the patient, and also of the  
method of treatment adopted, in order to  
know whether the disease is progressing or  
not.
