

The first thing I saw  
 when I stepped out  
 of the door was  
 a bright sun  
 shining on  
 the water.

The second thing  
 I saw was  
 a group of  
 people  
 standing  
 on the  
 shore.

The third thing  
 I saw was  
 a small boat  
 on the water.

The fourth thing  
 I saw was  
 a large crowd  
 of people  
 gathered  
 on the  
 beach.
