

Diez maravedis.

Sello quarto, diez maravedis. Año de mil y seiscentos y ochenta y ocho.

The main body of the document consists of several lines of handwritten text in a cursive script, which is mostly illegible due to fading and the age of the paper. There are some faint, larger characters or initials scattered throughout the text, possibly serving as a signature or a specific reference mark. The paper shows signs of wear, including a small tear and some discoloration.
