

tree under the shadow of the
refuge of the open to the
of the world and the
of the world and the
of the world and the
of the world and the
of the world and the
of the world and the

these are the things that
you see in the world
of the world and the
of the world and the
of the world and the
of the world and the
of the world and the

these are the things that
you see in the world
of the world and the
of the world and the
of the world and the
of the world and the
of the world and the

And you see in the
of the world and the
of the world and the
of the world and the
of the world and the
of the world and the
