

The first thing I observed was  
 the great number of people  
 who had gathered for the  
 purpose of seeing the  
 new exhibition of the  
 fine arts. The number  
 of people was so great  
 that it was difficult  
 to find a place to  
 stand. The exhibition  
 was held in a large  
 hall which had been  
 specially adapted for  
 the purpose. The  
 collection of works  
 was very fine and  
 the people were  
 much interested in  
 them. The exhibition  
 was a great success  
 and the people were  
 very pleased with  
 it. The exhibition  
 was held for several  
 days and the people  
 were very much  
 interested in it.
