

The first thing I saw  
 when I stepped out of the  
 morning mist was a  
 scene of such beauty  
 as I had never before  
 seen. The sun was  
 just rising over the  
 hills, and the air was  
 fresh and cool. The  
 water was clear and  
 sparkling, and the  
 rocks were smooth and  
 polished. It was a  
 truly wonderful sight,  
 and I felt as if I  
 had entered a new  
 world. I had never  
 before seen such  
 beauty, and I felt  
 as if I had found  
 a hidden treasure.
