SELLO DE VARTODIEZ MARA-
VEDIS, AÑO DE MIL Y SEISCIENTOS
TOBY SESENTA Y CINCO.

[Handwritten signature or title, possibly 'Alfonso de Portugal']

[Extensive handwritten text in a cursive script, likely a historical document or treaty. The text is mostly illegible due to fading and bleed-through from the reverse side. It appears to be organized into several paragraphs or sections, possibly detailing a royal decree or administrative order.]
