

SELEO QVARTO. DIES MARAE
VEDIS. ANODE MILVSEISEIEM
TOSYSETENTAY SINGO.

Handwritten text in a cursive script, likely a historical or administrative record. The text is dense and covers most of the page. It appears to be a list or a detailed account of events or transactions, possibly related to the date and location mentioned in the header. The script is somewhat difficult to decipher due to its cursive nature and the age of the document.

Vertical handwritten notes or marginalia on the left side of the page, possibly providing additional context or corrections to the main text.
