

PHYSIOLOGICAL CHEMISTRY
BY J. H. VAN DER WOUDE
AND
L. J. VAN DER WOUDE

[The page contains several paragraphs of handwritten text in cursive script, which is largely illegible due to fading and overlapping ink. The text appears to be a scientific or medical report.]

[A large, prominent handwritten signature or name is visible in the center of the page, possibly reading 'J. H. Van der Woude'.]

[There are several smaller handwritten notes and scribbles scattered throughout the page, some appearing to be corrections or additional observations.]
