

The first part of the book is
 devoted to a description of the
 various species of plants which
 grow in the country. The author
 has been very particular in
 describing the habits and
 uses of each of them.

The second part of the book
 contains a description of the
 various species of animals
 which are found in the country.

The third part of the book
 contains a description of the
 various species of minerals
 which are found in the country.

The fourth part of the book
 contains a description of the
 various species of fossils
 which are found in the country.
