

The first thing I did was to
 go to the office and see
 what was going on. I found
 everything in a state of
 confusion. The papers were
 all over the place and
 no one seemed to know
 what they were doing. I
 tried to get a few things
 straightened out but it
 was no use. The men
 were all so nervous and
 I could do nothing for
 them. I had to go home
 and think about it. I
 was very angry with
 myself for not being able
 to do more. I had to
 go back the next day
 and try to get things
 done. I was very tired
 but I had to do it. I
 was very glad to see
 that the men were
 getting on their feet
 again. I was very
 pleased with the result
 of my work. I had
 done what I could do
 and I was satisfied with
 it. I was very happy
 to see that the men
 were all so well and
 I was very glad to see
 that they were all so
 happy. I was very
 glad to see that they
 were all so well and
 I was very glad to see
 that they were all so
 happy. I was very glad
 to see that they were

 they were all so happy.
