

SELLO Q. VARTO, DIEZ MARA-
VEGIS, ANO DE MIL Y SEISCIE-
NTO Y CINQVENTA Y SEIS.

Preio = 23

[The following text is a dense, handwritten list of entries, likely a ledger or inventory, written in a cursive script. The entries are organized into columns, with a numerical column on the right side of the page. Due to the extreme fading and overlapping of the ink, the specific content of the text is largely illegible. However, the structure suggests a list of items or transactions with associated values.]
