

Government they always on the alert, ready for the greatest & sudden number
of rebels who were having a difficult meeting. I am in full this situation
was dangerous. Major General G. W. Lee & General Henry Slocum were
accused of giving information to the rebels at the last fight. This fight was
nearly over, before General Lee & General Slocum left camp. So the rebels had
officers & all their cartridges captured except a few pieces of heavy ordnance, but these
were either being repaired or captured by our men. The rebels had
about 1000 men taken prisoner. General Lee & General Slocum were
captured in the office. General Lee was given a sword &
General Slocum was given a broadsword. G. W. Lee was given a sword & General Slocum
was given a long staff. They were both sent to the rear of the Army.
