

I am not sure what this is about, but it seems to be a list of names or a record of some kind. The handwriting is very cursive and difficult to decipher.

I have not seen you since you went to the
 college and I am very glad to hear that you
 are doing well and that you are still in the
 college. I hope you will continue to study
 hard and make good progress. I am sure you
 will be a great success in your studies.
